

Vietnam - Off the beaten Path

Introducing LiNGER

We are an independent travel company, specialising in tailor-made sabbatical travel and extended holidays throughout the world.

Whether you are a solo traveller on holiday, a family with children on sabbatical, friends seeking an epic break or a couple celebrating a milestone, we would be thrilled to plan your trip.

LiNGER was born out of a passion for travel and a desire to do a little more to help protect our planet. Our philosophy is to engage you in a richly authentic and contrasting travel experience which balances meaningful, active and altruistic experiences.

Our travellers LiNGER longer, travel responsibly, immerse themselves in the culture, absorb, engage and explore.

Call, e-mail or request a call-back from us. We love to talk about travel and inspire you with our knowledge.

Introducing Vietnam

Stretching from the mountainous north where it borders China down to the mouth of the mighty Mekong in the South, Vietnam appears like multiple countries rolled into one. From beach hideaways along the endless coastline to

the ethnic hill tribes and colourful markets in the north; from traditional family life along the banks of the Mekong to a thousand years of history at the former imperial place of Hue - Vietnam has it all.

Travelling Responsibly

At LiNGER we firmly believe that in travel we can do more to help protect our planet.

We take our responsibilities to the environment, local communities, customers, suppliers, partners and employees very seriously and our intention is to constantly review our policies and strive to make improvements where we can.

We offer the opportunity to Give Back by partaking in a meaningful activity in an area that matters to you or where you may have a skillset.

This could be as simple as a beach clean in Sri Lanka to help protect our oceans or caring for orphaned sloths in a wildlife sanctuary in Costa Rica.

LiNGER longer on a sabbatical and devote time to teaching in a village school in Nicaragua or help with a conservation project researching plant species in the Amazon. LiNGER and Enrich Life through Travel.
