ENRICHING LIFE THROUGH TRAVEL

Sabbaticals & Experiential Holidays
Unpretentious luxury, authentic discovery

ABOUT US

25 years ago, I left a career in banking to follow a deeper pull towards travel. I set up LiNGER Travel to focus on sabbaticals and experiential holidays for law firm partners.

LiNGER is recognised by Travel+Leisure's A-List and Spear's 500 as a sabbatical and holiday specialist.

LiNGER's strength lies in our relationships with law firm partners who entrust me to plan some of the most significant journeys of their lives.

A photograph showing three people riding horses through a field of tall, golden grass. They are seen from behind, moving towards a range of rolling hills under a clear sky at sunset. The person on the right is wearing a red shirt and a red beret. The person in the middle is wearing a dark shirt. The person on the left is wearing a red shirt. The horses are white and brown. The hills in the background are covered in low-lying vegetation and are bathed in the warm light of the setting sun.

I remember the first call we had when it was
really just a dream. Thank goodness you
convinced us to do it. You helped us pull the
jigsaw together and supported us while away.”**

SABBATICALS

Most partners have a good idea of where they'd go on sabbatical. What they lack is the time to research it properly, someone to tell them honestly what works and what doesn't, and the local insight to plan a seamless trip.

That is the gap I fill. I've planned over 70 sabbaticals for law firm partners. I balance the right structure, pacing and experiences for adults and children alike.

Every destination I recommend, I have been to. I pair the known highlights with the unexpected and stay closely involved throughout. Nothing falls through the cracks.

SABBATICAL RECOMMENDATIONS

Thailand, Laos & Indonesia

Wander night markets and meet remote hill tribes in northern Thailand. Drift along the Mekong through Laos. In Indonesia, admire Borobudur at dawn and the blue-fire crater at Ijen, and walk among orangutans in Borneo.

Central American Adventure

Cross from Costa Rica's cloud forests to Belize's Caribbean cays, by foot, river and boat. Experience hanging bridges through jungle canopy, steaming volcanic craters, turquoise rivers and abundant wildlife. End by sailing between idyllic tropical islands.

EXPERIENTIAL HOLIDAYS

Not every trip is a sabbatical. A birthday, an anniversary, or simply the holiday that keeps getting postponed deserve the same level of attention.

Each trip is highly personalised, founded upon your and your co-travellers' interests, pace and travel style. No two LINGER trips are the same.

I take you to the highlights and beyond the obvious itineraries, to the most engaging places that most travellers don't know about. I build in activity, rest, and time for spontaneity.

EXPERIENTIAL HOLIDAY RECOMMENDATIONS

Unknown Japan

See a Japan most visitors never reach: the samurai streets of Kakunodate, the forest onsens of Akita, the volcanoes of Kyushu; the tropical islands of Okinawa, the ancient pilgrim trail at Dewa Sanzan, and the artistic canals of Kurashiki.

Toyama, Japan

Brazil beyond Rio

Kayak among giant water lilies in the Amazon. Hike white sand dunes and turquoise lagoons in Lençóis Maranhenses. Visit the colonial streets of Paraty and the table-top mountains of Chapada Diamantina, and spot jaguar in the Pantanal.

Ibis in Lençóis Maranhenses, Brazil

“It's impossible to summarise what this trip did for us all. We had the time and space to see the kids' unique qualities and they saw ours too. We retell our wonderful memories daily. ”

Law Firm partner, Central American sabbatical

“From your flyer landing on my desk to a 3-continent sabbatical! Your planning and imagination, and your exquisite professionalism in coordinating everything, really made this trip.”
